

WORK SAFELY AT HEIGHTS

SpanSet®

Delivered on behalf of SpanSet Australia Limited (RTO Number 91173) who will provide the Statement of Attainment Certificates to those who successfully complete the course.

▶ **Nominal duration 7 hours**

▶ **Maximum number of attendees per course is limited to 10**

Successful participants will receive a Statement of Attainment in RIIOHS204A Work Safely at Heights for partial completion of RII21019 Cert II in Resource and Infrastructure Work Preparation and a wallet sized course card.

▶ **Venue**

On site at client premises or at a CTC venue

▶ **Target Group**

This course is ideally suited to operators in the construction, maintenance and service industries who at some stage need to work at height. The course is Nationally Recognised and delivered by experienced height safety specialists in plain everyday language.

COURSE CONTENT

1. Legislation
2. Introduction to hazards & risks
3. Fall safety
4. Fall protection equipment
5. Practical exercises including rescue of a suspended worker

COMPETENCY ASSESSMENT

Attendees will need to participate in discussions and activities, complete oral and written questioning and complete practical demonstrations to show their competence.

Be Smart. Be Safe.
